

Meppershall Village Hall

Fire Regulations

Please be aware that you, as Hirer, are responsible for all your guests in the case of an emergency, including fire. It is your responsibility to inform your guests where the Fire Exits are and to ensure that they are aware of the various ways to exit the building in case of emergency. The Hall should be vacated in case of emergency, with guests moving to the car park to enable you to confirm all your guests are out safely.

In the event of a major fire, your guests should move to the grass next to the roadway to the left of the Village hall (facing outwards) and congregate at a safe distance.

There is NO fire system in the hall. There are fire doors in the corridor at the front of the hall, off the stage, at the front of the hall to the right of the stage, through the social Club and if open, through the Snooker Room. The provision that has been made meets the requirements under the new Fire Regulations that came into force on 1st October 2006.

The Village Hall Management Committee. Meppershall Village Hall
(Charity number 300052)

I HAVE READ AND UNDERSTAND THE ABOVE AND THE CONDITIONS OF HIRE
